

## Introduction

The principal of Sculptured Glass Australia, Shar Moorman is an internationally recognised Glass Artist, with numerous installations in private residences, commercial buildings and public art displays.

Shar's work is part of some of the permanent one man show collections at the Museum of Applied Arts and Science, Powerhouse Museum, Art Gallery of Western Australia, Wagga Wagga City Art Centre and the Corning Museum. Commissioned work includes Darling Harbour, Bicentennial, Maroochy Shire Council, Caboolture Brisbane, Nunda, Fernwood Maroochydhore. Awards received include Best Glass Artist in Australia, Best Book at U.S.A. Glass Industry Awards and grants for both art development and research.

A background of extensive experience in large and small scale glass (traditional and contemporary) and associations with other mediums, provides Shar with an ability to dialog with Architects, Builders, Interior Designers, Shop Fitters, Artists and the knowledge to problem solve within the constraint of the medium. She has forged a unique vocabulary in the fields of personal expression, architectural setting and the private sector.
